Safety Trailer Hits the Highway

Spokane Transfer and Storage is promoting highway safety in a new way in Eastern Washington. One of the company trailers is traveling between Spokane, the Tri Cities, and Cle Elum with a photo of Washington State Patrol (WSP) Commercial Vehicle Division personnel and the words "Promoting Highway Safety."

The trailer project is a partnership between Spokane Transfer and Storage, Washington Trucking Association (WTA), and the WSP. "It's an attempt to remind motorists of the importance of highway safety and the role they play along with the trucking industry and law enforcement," stated WSP Chief Lowell Porter.
